Dana Delany. Not all women, famous or not, choose to get married, and this may happen for a variety of reasons. There are those who choose to live with their partners for the long term without ever officially marrying them. Mark Wiens never had a 9-to-5 job after graduating college. Now he has nearly 1.8 million subscribers and has visited dozens of countries. The first time you travel abroad can be daunting, thrilling, overwhelming, and life-changing—no matter what age you are. We asked a few Americans to share stories of their first overseas trips ... "Conspiracy" was an episode of Star Trek: The Next Generation that involved parasitic aliens taking over key members of Starfleet, as part of a secret invasion of the Federation. The crew of the Enterprise was able to foil the parasite's plan before they could do any more damage. The version of "Conspiracy" that we saw was created due to a veto by Gene Roddenberry. - And The Man Who Was Traveling Never Got Home
