Americana Antiques. Fine American Antiques, Paintings, Period Accessories, Folk Art, and Carousel Figures. Some of the most interesting folk art includes the hundreds of handmade objects that filled homes in the 1700's and 1800's. Furniture, especially chests, chairs, tables, and beds, was carved and sometimes painted with colorful designs or with false woodgrain patterns. Folk art: Folk art, predominantly functional or utilitarian visual art created by hand (or with limited mechanical facilities) for use by the maker or a small circumscribed group and containing an element of retention—the prolonged survival of tradition. Folk art is the creative expression of the human.
