This is a list of apocalyptic feature-length films. All films within this list feature either the end of the world, a prelude to such an end (such as a world taken over by a viral infection), and/or a post-apocalyptic setting. Apocalyptic and post-apocalyptic fiction is a subgenre of science fiction, science fantasy or horror in which the Earth's technological civilization is collapsing or has collapsed. The apocalypse event may be climatic, such as runaway climate change; natural, such as an impact event; man-made, such as nuclear holocaust or resource depletion; medical, such as a pandemic, whether natural or man ... New religious movement (NRM), the generally accepted term for what is sometimes called, often with pejorative connotations, a "cult." The term new religious movement has been applied to all new faiths that have arisen worldwide over the past several centuries. Environmentalism, political and ethical movement that seeks to improve and protect the quality of the natural environment through changes to environmentally harmful human activities; through the adoption of forms of political, economic, and social organization that are thought to be necessary for, or at least conducive to, the benign treatment of the environment by humans; and through a ... - Apocalyptic Movement
