If the positioning insert provided with the BRITAX car seat does not position the child as needed, it is acceptable to place a rolled receiving blanket on each side of the child for lateral support – once the child is properly secured within the harness as instructed in the user guide. A child safety seat is a seat designed specifically to protect children from injury or death during vehicle collisions. Most commonly these seats are purchased and installed by car owners, but car manufacturers may integrate them directly into their vehicle's design and generally are required to provide anchors and ensure seat belt compatibility. - Britax Boulevard Car Seat Instruction Manual
