Look no further—I've got a round-up of the most popular homeschool Spanish curriculums on the market (16, to be exact), with information to help you choose the best option for your family. Overview: The HELP 3-6 Assessment Strands offer a key developmental assessment framework where the 585 HELP 3-6 skills/behaviors are grouped into 47 developmentally-sequenced "strands" for better ongoing developmental assessment and planning of next steps. For proper use of HELP 3-6 as a curriculum-based assessment, use the HELP 3-6 Assessment Manual in conjunction with the Strands. See It and Say It Flip Flop Spanish. See It and Say It is a full curriculum that can be used with all ages. It has a teacher manual with detailed plans for a two-year course with lessons three times a week. However, older students should be able to complete two lessons in a sitting and can finish the course in one year. - Complete Home Learning Enable And Other Helps Manual: Ages Two To Fifteen
