

# Download Corel Wordperfect 7: Tutorial And Applications

Rod Smith's Books Page. This page exists to help you order my books. The following books are listed in reverse chronological order. I've been writing books about computers since 1999, so some of these titles are decidedly out of date. In August 2003, the company Vector Capital acquired Corel Corporation, becoming from that time a private company focused on the development of its two main products, CorelDRAW and Corel WordPerfect. In February 2004, he was released version 12 of CorelDRAW, a version where engineers simplified and optimized the internal structure of the application, which resulted in a much more powerful, agile ...
