We get many calls from customers with Waterside (or Culligan) water softeners needing repair. Older Waterside MC250 systems (over 17 years old) were assembled using “industry standard” Fleck valves for which spare parts are widely available and we can usually help in this situation. How do I set the regeneration timers on a water softener system? How often should it be regenerating? - Answered by a verified Plumber - Culligan Parts Manual Hi Flo 2
