The Time Rangers, Apollo's chosen servants, are in charge of preserving the peace and harmony along the Time Stream, the pathway between various worlds and times, but Apollo has given them a new task—to protect Timothy Macauley, the chosen one who must become the president of the United States or else witness the destruction of humankind. Richard Bowes describes his novel, From the Files of the Time Rangers as a mosaic novel. It is certainly an apt title, for as the reader works their way through the novel, the individual story-lines and plots do not always seem to tie together. From the Files of the Time Rangers is a mosaic novel about time travel, alternate worlds, gods, cops, and the making of a president. The story spans the Twentieth Century, from the gritty waterfronts of Manhattan to the exclusive New England resorts of the rich and famous, culminating in a U.S. presidential election a bit like, yet absolutely different from, the one we experienced in 2004.

This is a list of Rangers Football Club's managers and all those who have held the position of manager of the first team of Rangers, since its formation in 1872.. Each manager's entry includes his dates of tenure and the club's overall competitive record (in terms of first team matches won, drawn and lost), honours won and significant achievements while under his care.

The case of the Rangers is, however, unique: it was a collective force that, in exercise of the authority granted by the government, protected Texas against threats considered extremely evil at the time. While some Rangers could be considered criminals wearing badges by a modern observer, many documented tales of bravery and selflessness are ...

In an afterword to From the Files of the Time Rangers, Richard Bowes calls this form a "mosaic novel," a term he borrowed from Jeff VanderMeer, who borrowed it from elsewhere. It's a fine description of this particular creature, suggesting, as it does, individual tiles overlapping to create a shimmering whole.
