

Download Geriatric Mental Health Nursing : Current And Future Challenges

Policy The public resources available for healthcare in America seem to be increasingly in jeopardy (in 2011), as debates over federal and state entitlements become more and more polarized. Medicare and Medicaid reductions or reorganizations loom, just as the baby boom demographic tsunami is starting to be felt. Geriatric care management is the process of planning and coordinating care of the elderly and others with physical and/or mental impairments to meet their long term care needs, improve their quality of life, and maintain their independence for as long as possible. It entails working with persons of old age and their families in managing, rendering and referring various types of health and ... Mental Health Nursing. NU 306 Mental Health Nursing *Reflections: Clinical Experiences in Community - Gero 1. Describe characteristics of clients served by this program. The clients at Shoals Hospital in the geriatric psych. Unit were obviously old. I think the youngest person was a 60 year old female.
