

Download Inner Work In The Wounded And Creative : The Dream In The Body

LISTEN TO GOD - a safe, healthy way of doing Christian inner healing using Listening Prayer Therapy. By George Hartwell M.Sc.. © 2002, www.HealMyLife.com, Agape ...This is one of a series of articles in Lesson 1 of 7 in this Web site - (a) free your true Self to guide you in calm and conflictual times, and (b) reduce significant psychological wounds. All six other course Lessons are founded on this one. My experience as a family systems therapist since 1981 is that ~80% or more of typical men and women and many kids bear significant psychological wounds ...In my previous article "The Sacred Art of Alchemy," I contemplate how the unconscious part of ourselves becomes the raw material, the prima materia, out of which the alchemical gold, the philosophers' stone, which is none other than the enlightened mind, is refined and revealed. The art of alchemy has nothing to do with turning base metals into gold, and everything to do with transmuting ...Birds symbolize ideals. To dream of beautiful birds with colorful plumage is a sign of a marriage. Birds without feathers and that cannot sing warn you that you will be dominated by a richer person. Birds flying predict prosperity. To dream that you catch birds means you will get lucky. If you hunt a bird is a sign of loss in your business or a poor harvest (as a farmer). - Inner Work In The Wounded And Creative : The Dream In The Body
