In this more recent book Idries Shah returns to themes he has addressed in many of his earlier writings, particularly that of 'knowing how to know,' or knowing how to remove barriers to perception and learning -- barriers in our assumptions, our behaviour, our craving for emotional stimulus, our group dynamics, and other areas. **Knowing How to Know : A Practical Philosophy in the Sufi Tradition [Idries Shah] on Amazon.com.** \*FREE\* shipping on qualifying offers. Contemporary esoteric systems almost invariably play on the desire of mankind to seek or acquire knowledge. Almost universally neglected in such systems are the--often-unrecognized--barriers that prevent knowledge and understanding.
