FIRE protects the rights of students and faculty members at America's colleges and universities. These include freedom of speech, freedom of association, due process, legal equality, religious liberty, and sanctity of conscience—the essential qualities of liberty for every American. Universities in the 20th century were dedicated to the advancement of knowledge. Scholarship and research were pursued, and diverse opinions were exchanged and argued in the “marketplace of ideas.” This is no longer the case. Particularly in the social sciences, humanities, education, social work, and law, a single political ideology has replaced scholarship and research, [...] - Lesbians In Academia : Degrees Of Freedom
