Ida doesn't have the best lectures but the class isn't hard to make up for it. There are 4 tests (3 midterms and one final, but one of the four gets dropped), 9 online homework quizzes (3 get dropped and they are 5 multiple choice each). A diacritic – also diacritical mark, diacritical point, diacritical sign, or accent – is a glyph added to a letter, or basic glyph. The term derives from the Ancient Greek *διακριτικός* (*diakritikós*, "distinguishing"), from *διακρίνω* (*diakrínō*, "to distinguish"). Diacritic is primarily an adjective, though sometimes used as a noun, whereas diacritical is only ever an adjective. Professor Yuan is great if you have prior calculus experience and just need the math credit. I would not recommend if you have never had calc exposure, because he loves going over why theorems work. The Midwestern United States, also referred to as the American Midwest, Middle West, or simply the Midwest, is one of four census regions of the United States Census Bureau (also known as "Region 2"). It occupies the northern central part of the United States. It was officially named the North Central Region by the Census Bureau until 1984. It is located between the Northeastern United States ... - Michigan Slavic Materials No 4 Accent In
