

Download Modern Hungarian Society In The Making : The Unfinished Experience

In my opinion, the modern history of this region – and so of Hungary – is the story of a still ongoing process of transition from a feudal to a civil society. This seems to be supported by the economic, social and intellectual changes that occurred in Central and Eastern Europe in the 1980s. Modern Hungarian Society in the Making: The Unfinished Experience (Central European University Press Book) [András Gerö, James Patterson, Eniko Koncz] on Amazon.com. *FREE* shipping on qualifying offers. This book looks at the problems connected with the modernization of a Central European state and its development from a feudal to a civil society. Get this from a library! Modern Hungarian society in the making : the unfinished experience. [András Gerö?] -- "This lively collection of essays is a fine blend of political, social and cultural history, setting Hungary's development within the context of Central Europe as a whole and thus providing an ...
