The Publication Manual of the American Psychological Association is the style manual of choice for writers, editors, students, and educators in the social and behavioral sciences. It provides invaluable guidance on all aspects of the writing process, from the ethics of authorship to the word choice that best reduces bias in language. BibMe Free Bibliography & Citation Maker - MLA, APA, Chicago, Harvard The Online Writing Lab (OWL) at Purdue University houses writing resources and instructional material, and we provide these as a free service of the Writing Lab at Purdue. The College of Education at CDU uses the APA style of referencing. This is the style set out by the American Psychological Association (APA) and is the style most often used to format written academic work in the social sciences. APA Style covers many aspects of formatting a manuscript, such as headings, punctuation, tables and statistics, but most often you will use the style to cite ... - Pocket Guide To Apa Style 2009 Update Edition
