

Download Polaris 2500 Winch Manual

The Polaris® Integrated Winch Kit connects directly to your Polaris® ATV wire harness, making installation fast and easy. You'll wonder how you ever rode without this Polaris® winch – it's like another set of hands to help you on the job or pull you out of the mud. Some jobs require more power, and the Polaris® HD 2,500-lb. Winch Kit delivers just that – 2,500-lb.s of pulling power to get you unstuck or help get tough jobs done faster. Winch Kit will become your new best friend. The sealed motor and gear train guarantees reliable operation in extreme conditions. Even seasoned riders can find themselves in sticky situations. A winch helps get you on your way. With pulling power from 2,500 to 6,000 lbs, Polaris ATV, UTV and side x side winches are custom-tailored to your vehicle. Improve your UTV winch performance with this Synthetic Rope. Designed to work with any Polaris® Pro or HD 2,500 lb or 3,500 lb Winch, this rope is great for plowing as synthetic rope is more durable under the frequent short plow cycles. - Polaris 2500 Winch Manual
