

Download Rebuild Vw 1400 Engine Manual

most just swap the engine with a used 1. If you want to splurge, there are a bunch of vendors who will happily sell you a new 1. The problem with rebuilding *any* overheated engine is that you don't know the extent of the damage. The truck has a CALIFORNIA SALVAGE CERTIFICATE and can be repaired, REINSPECTED and TITLED as a SALVAGE VEHICLE. The truck has just under 197,000 miles and looks to be in good condition.
