Social capital broadly refers to those factors of effectively functioning social groups that include such things as interpersonal relationships, a shared sense of identity, a shared understanding, shared norms, shared values, trust, cooperation, and reciprocity. However, the many views of this complex subject make a single definition difficult. The term generally refers to (a) resources, and ...In the field of sociology, cultural capital comprises the social assets of a person (education, intellect, style of speech, style of dress, etc.) that promote social mobility in a stratified society. Cultural capital functions as a social-relation within an economy of practices (system of exchange), and comprises all of the material and symbolic goods, without distinction, that society ...Volume 13, No. 1, Art. 30 – January 2012 . Participatory Research Methods: A Methodological Approach in Motion. Jarg Bergold & Stefan Thomas. Abstract: This article serves as an introduction to the FQS special issue "Participatory Qualitative Research." In recent years there has been a resurgence of interest in participatory research strategies. Hours taken in social work will apply toward the maximum of 50 hours that may be taken in social work courses. The Social Work program may require students to pass a placement test to enroll in the next level course, provided this test or its equivalent is administered to all students seeking to enroll in that course. - Social Capital Theory Towards A Methodological Foundation
