You may have woken up this morning with a strange feeling in your gut. You are probably tired of the life you're leading. You want to change your life, but you don't know how to change your life. You're not even sure what needs to change, but something has to give. Effective communication is one of the most important life skills we can learn—yet one we don't usually put a lot of effort into. Whether you want to have better conversations in your social ...George Bernard Shaw was a playwright who was born on July 26, 1856 in Dublin, Ireland. Under his mother's guidance and regular visits to the National Gallery of Ireland, his exploration of the arts began extremely early in his life. By 1876, Shaw had decided to become a writer. But he struggled financially – so [...]I see conversation as the glue that sticks people together. If you pay attention to how people bond, socialize and build partnerships, you'll notice that it's done mostly through the art of conversation. - The Art Of Conversation Change Your Life With Confident Communication
