Welfare is a type of government support for the citizens of that society. Welfare may be provided to people of any income level, as with social security (and is then often called a social safety net), but it is usually intended to ensure that the poor can meet their basic human needs such as food and shelter. Welfare attempts to provide poor people with a minimal level of well-being, usually ...Americans disagree about whether the poor would work if given and chance, but are more united in their skepticism of government programs. A new look at a landmark 1985 survey on attitudes toward ...
