When writing an essay, the first problem you might face is deciding on what topic to choose, which is pretty ironic if you're writing a problem-solution essay.. The way out of that dilemma is to choose an issue that you're really passionate about. The Writing Center is a free student support center created to assist writers with reviewing, refreshing and upgrading their writing skills. Tutorials - Receive individualized feedback about your writing.. Tutors and Faculty - Trained tutors will read your essays for organization and development. Faculty are available for feedback. In computer science and in the part of artificial intelligence that deals with algorithms ("algorithmics"), problem solving includes techniques of algorithms, heuristics and root cause analysis. In these disciplines, problem solving is part of a larger process that encompasses problem determination, de-duplication, analysis, diagnosis, repair, and other steps. This pack will help you clearly teach your students the core concept of problem and solution. There are posters, graphic organizers, printables, and real-life pictures to help reach every student in your classroom.
